Product Specification Sheet

Targus 17” Flare Backpack

Part #: TSB089US

Product Description:

The Targus 17” Flare Backpack is designed to fit notebooks with up to 17” screens. The interior workstation includes an ID holder, cell phone pocket, key clip and pen loops and plenty of storage compartments for mobile accessories. The Flare backpack features locking zipper pulls on the notebook compartment for additional security in airports or other crowded areas. To make sure your notebook and other belongings are protected from the elements, the Flare backpack includes a water-resistant bottom for added durability and a hidden rain fly to help keep your personal items dry during wet weather. For added support and carrying convenience, the removable waist strap, ergonomic 3D mesh padded shoulder straps and back panel allow for equal weight distribution to help prevent back strain. Two side water bottle pockets insure you have plenty of space to store beverages whether you are traveling for business or spending the day on campus.
